# Your objectives are **ambitious**

Become a fast moving force  
in world markets

Close your deals, stay miles ahead  
of the rest. Explore difficult to  
access markets, win, close before  
your competitors.

Do for your customers what others  
dare not.

# Meeting your planning requirements

## Round trip in half a day, or a day

The flexibility of a business jet makes it the indispensable tool of your efficiency.

## A la carte schedules

The aircraft is at your service, no waiting for connecting flights, no unnecessary overnights, no time wasted. The executive business aircraft is totally efficient.

## A la carte destinations, you land as close as possible to your meetings

AB CORPORATE AVIATION allows you to perform complex routings.

Fly to over 6 600 airports worldwide, more than 1 000 in Europe, many not serviced by scheduled airlines.

Our flights cover the world: Europe, CIS, the Middle East, Africa, Asia, the Americas...

AB CORPORATE AVIATION allows you to spend only the time necessary on site, thus saving your precious time for other activities.

**TIME IS YOUR MAJOR ASSET ! MAKE THE BEST OF IT WITH AB CORPORATE AVIATION**

## Your image is **important**

### **Efficiency, Prestige, Intimacy**

The business aircraft is a prestigious and confidential tool which will denote to your guests the importance you attach to them. It enhances your image, and that of your company.

For your public relations campaigns the executive business aircraft enables you to entertain your clients intimately on your own grounds and will leave them with an unforgettable memory of your gracious hospitality.
