Charter a Private Jet Cessna Citation Excel XLS

Medium range business jets available for charter

Remarkable flexibility and reliability! Spacious and silent, this private business jet was designed to use short runways and thereby have access to most European and Mediterranean airports, even those inaccessible to regular commercial flights. The Cessna Citation Excel high cruising altitude and its speed allow you to reach your destination in the shortest time and to plan your itinerary in full discretion. The Cessna Citation Excel is well suited for business trips, roadshows and private travels.
