Executive Air Charters - 24 hours a day, 365 days a year

Member of the National Business Aviation Association

## Short & medium range business jets

### Cessna Citation Excel

#### Mid size cabin aircraft

Remarkable flexibility and reliability! Spacious and silent, this private business jet was designed to use short runways and thereby have access to most European and Mediterranean airports, even those inaccessible to regular commercial flights. Its high cruising altitude and its speed allow you to reach your destination in the shortest time and to plan your itinerary in full discretion.

#### Specifications

Crew :	two pilots
