Short range business aircraft on demand flights

Europe at low cost! This is the most economical plane for transporting some fifteen clients or co-workers to more than 1,000 cities in France and Europe, without stopovers or connecting flights. Factory visits, trade shows or product launches, you determine the schedule that suits you and you arrive right up to your final destination. You travel without fatigue, in complete privacy with the people that you have chosen to accompany you.

The Beechcraft 1900 Airliner is a modern and environmentally efficient business aircraft: it consumes less fuel and emits less CO2.
