Long range business jets on demand flights

A flying office at more than 460 kts! The spacious and comfortable cabin of this business jet can take on board team members and guests in optimal conditions: travel time can be enjoyably split between work and rest. Thanks to the exceptional comfort on offer, this aircraft is perfectly adapted to long hauls and is able to reach Caracas, Singapore or Hong-Kong from Europe without stopovers. It is ideal for company shuttles or for the travel of management teams or celebrities.
