Long range business jets on demand flights

The Bombardier Challenger 300 is a long-haul business jet. Its performance allows it to quickly reach its cruising altitude. Its transcontinental range enables it to take off from Paris le Bourget for Yaoundé or from Nantes to Murmansk by direct flight with no stopovers. Its spacious and luxuriously equipped cabin allows standing room in an environment conducive to work. It is organized in two lounges with 4 armchairs each to comfortably transport 8 passengers. The Bombardier Challenger 350 is a modernized version.
